CENTRAL PLACEMENT CELL

Career Guidance Report Academic Year 2019-2020

The CGC- Career Guidance Cell functions primarily to assist students to achieve in competitive exams by supporting students to identifying their interests, strengths and planning appropriately for competitive exam necessity. It arranges awareness, motivational programs, and interactive sessions by the resource persons related to a specific domain and guidance for competitive exam preparation are conducted regularly.

Activities Conducted:

The activity of CGC for Competitive Exam Counseling during 2019-2020 follows:

- **Center for Career in Uniform Services:**To create awareness about career opportunities in Uniform Services such as Firefighter, Police Officer, and Indian Army, on Jul 07, 2019 CGC organized an awareness program on Center for Career in Uniform Services for pre final & final year students. The resource person was Prof. V. Anto, Director-Academic Relations, Uniformed Services. This program guided students with various range of uniformed services they are eligible for and the examination conducted. 485 students were benefited from the program.

Outcome:

- Students became aware of Uniformed Services and career opportunities.
