(Accredited by NAAC and an ISO 9001:2008 Certified Institution)

COIMBATORE – 641 402.

Department of Computer Science and Engineering

ACADEMIC YEAR 2021-2022

Salient features from feedback report

Course content, content delivery and assessment methods are well balanced.

Skill development courses need to be organized to impart more practical knowledge.

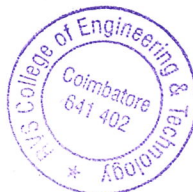

Conduction of seminars is appreciated.

It has met the expected competencies outcome of the course.

Action Proposal:

- ✓ National and International level Live Webinars need to be conducted to bring eminent experts to share their knowledge with the students.
- ✓ Faculty development program need to be arranged to bring eminent experts to share their knowledge.
- ✓ Workshops and guest lecturers need to be organized to forge knowledge and fill up the industry gaps from the domain expert.
- ✓ Certificate courses need to be arranged to the students which make them industry ready and help them get selected in core companies.
- ✓ Encouraging the students to participate in technical events both internal and external colleges to improve their skills in multi disciplinary areas.
